 Special Musical Performance— Westchester Middle School Jazz Band*

8:45-9:45 Keynote Address: Arbor Ballroom  
**You're a Piece of Work! Celebrate Joy, Passion and Influence**  
 Dr. Steve Sobel

A wonderfully uplifting presentation that provides the insights and ideas that will propel you to be able to excel as you work with challenging situations, people, and keep an "even keel" as you move through your day - where not to make "mountains out of molehills " and how to "take yourself lightly so you can take your job seriously " will also be highlighted. A presentation to revive your spirit, tickle your funny bone and one which will leave you with an extremely positive feeling about what you do each day and appreciate life's "little bonuses."

-Dr. Steve Sobel is a former school principal and Special Education Director who greatly encourages you to "never lend your car to anyone that you have given birth to!"
